FOREWORD

Once again I am privileged to write the Foreword for the Carnival Programme. I am pleased to do so since I know that this annual event brings pleasure to a great many people — to people who participate in the various activities; people who live here and in the surrounding villages and also to visitors to our town.

I am pleased to see that the Carnival Committee are as enthusiastic to their cause as ever and am sure that they will continue to receive the support they have always enjoyed.

I would like to take this opportunity to congratulate the Carnival Committee and organisers for the splendid work which they do so well, year after year, and to thank them for making this enjoyable weekend of "fun and games" available to both townspeople and visitors alike.

The theme of this year's Carnival Parade deals with Sport — well chosen I think, in view of the fact that facilities for practically all sports activities are available in the District and we now have the new sports ground and pavilion in Willen Road. The sporting life of the community should benefit greatly from these facilities. Football, Cricket, Fishing, Bowls, Archery, Tennis, Boating, Swimming, etc. enthusiasts and their supporters will have a grand opportunity to support this year's Carnival.

F. JAMES
Chairman,
Newport Pagnell Urban District Council

Thank you for making your first contribution to Carnival weekend. By buying this programme you will be helping us to provide our local mentally handicapped people to a very special Christmas treat. This is our main project this year and will be Carnival's contribution to the wonderful work done by the Key Club.

Looking through the weekend you will find we've planned a full and varied programme of events both in our home arena at Castle Meadow and at other venues through the town with an added attraction this year of a Gala Film showing on Sunday evening in the Electra Cinema.

We hope you'll find something here to interest you, for however hard the Committee and their helpers work to organise Carnival it needs *YOU* to make it a success. May we have the pleasure of your company?

TERRY SAPWELL
Chairman, Carnival Committee
