## FOREWORD

It gives me great pleasure as the last Chairman of the Newport Pagnell Urban District Council to express the hope that the Carnival will be even more successful this year than on previous occasions. In April 1974 our Urban District will be absorbed into the wider community of the new Milton Keynes District and this will surely act as a challenge to the hard working Carnival Committee to attract an even greater influx of visitors to the town in future years.

We shall all need to work together to maintain the identity of Newport Pagnell within the new District and this can best be accomplished by the promotion of an active social life within the town. In this respect the Carnival Committee and the various Town Organisations will play a major part and the newly completed Lovat Hall Recreation Centre provides the amenities required.

Over the years we have come to expect a very high standard of entertainment at "Carnival Time" and I sincerely hope that it will once again prove to be a very happy occasion for everyone concerned.

May I, on behalf of the townspeople thank the Carnival Committee for organising this annual event which gives so much pleasure to so many people.

C. E. EVANS  
Chairman,  
Newport Pagnell Urban District Council

At the time of going to press our Chairman, Terry Sapwell was working in East Africa and so the job of writing the Chairman's message has been passed on to me.

The project this year is to furnish one of the new bedrooms that are being built at Tickford Abbey, the extensions are being built so that all the residents may have their own room.

Many of the visiting carnival queens you will see in the Carnival Parade have been to carnivals in West Germany and Belgium, thus helping to enhance our Continental theme "Fanfare for Europe".

You have already started to support the Carnival by buying this programme, we hope you will support us further by attending most, if not all, of the events we have planned for the weekend.

Finally, may I thank all the committee members for the hard work they have put into planning this carnival and for the hard work that is to come.

Thank-you once again for your support at carnival time.

Paul E. Harris,  
Vice-Chairman.
