Foreword

On behalf of the Carnival Committee may I once again invite you to join in the fun of our sixteenth annual Carnival. We appreciate your past support and trust that we shall see you all again this year.

The aim of the Carnival is two-fold - to provide a week-end of entertainment and at the same time raise money for local charities. My Committee decided that our project this year should be "Youth 76".

We feel that there are many people in Newport Pagnell working hard to provide all sorts of facilities for the younger members of our community and are deserving of our help. Local youth workers have been asked to let us know of any way in which we can give them financial help, so the greater your support, the more we can give to them.

In conclusion may I take this opportunity of thanking my Committee for all the time they have given to arrange this weekend.

RICHARD ALBONE
Chairman,
Carnival Committee.

THE CARNIVAL COMMITTEE

Bigger and Better than ever!

16 Battalion RAOC Close Combat Display Team

The 16 Battalion RAOC Close Combat Display Team was formed six years ago. Its members are all volunteers from the Central Ordnance Depot at Bicester, drawn from such trades as clerks, drivers, storemen and storewomen. Close Combat involves not only unarmed combat, but also defence against such weapons as the knife, club or rifle and bayonet. Each member is trained during the winter in the skills necessary to defend himself against such armed opponents, and during the summer a team is formed to display these skills. This Display Team appears at functions, helping the organizers to attract a reasonable audience, which raises money for a variety of charities.

By inviting contributions from the organizers of the events at which it appears, the Display Team is also able to raise money for its own Battalion Welfare Fund. Thus, in addition to contributing to welfare needs within the Bicester Garrison area, the Team was able to help many deserving causes in the past years.
