Foreword

Dear All,

Welcome to the 29th Newport Pagnell Carnival and in particular the new residents of the town. Last year we managed to donate a record amount to local charities. Let us hope that the weather will be kind to us again and we can enjoy another bumper event. My personal thanks go to the Committee for their dedication and loyalty. This year has seen the smallest group for many years, therefore the workload has been much greater. My thanks also go to all those people too numerous to mention who have helped and supported the Carnival in so many ways.
