Dear All,

Welcome to our 30th year of Carnival and with it, we hope a variety of entertainment to suit all ages. Last year thanks to the continued support of local people, we donated a record amount to local organisations. The cancellation of our Firework Display, due to gale force winds, has been a financial setback to 1990, let us hope the weather is kind to us on August 4th and 5th, so that we can recoup our losses. Once again may I thank my committee for their dedication and enthusiasm, without which the carnival would not be possible.

## NEWPORT PAGNELL CARNIVAL COURT YESTERDAY TO TODAY

I have been asked to write a few lines on the early days of Newport Pagnell's Carnival. What a wonderful excuse to look into my scrapbook and reminisce! I became involved with the Carnival in 1964 when my daughter Fiona was Carnival Queen. In those days the Carnival programme extended over a week although later, like today it was even more successful over one week-end. In 1968 Newport Pagnell joined the Carnival Guild and we learned that a Carnival Queen had "Princesses" and they were known collectively as a "Court". As such we were invited to Southgate that year- and what an eye-opener it was! There were numerous Courts from the Home Counties, all with their own floats and their girls beautifully dressed for the Parade itself, then changed for the evening event. Within days I appealed to the local shops for help and on the next outing our girls were among the best dressed, with our own float soon after which we towed to other Carnivals almost every week-end. The policy of visiting and receiving Courts from local towns still continues today. It was not all glamour though! The girls took part in various charity events including the Annual Guild Walk (42 miles) from N. London to Southend. One year they donated the see-saw in Ousebank Gardens with the proceeds of their efforts. Carnival girls worked very hard, looked good, had fun and were a real credit to the town wherever they went, and I know these standards still apply. For so many years I was Court Organiser and adviser- and wherever they went so did I. I loved every minute of it and I was very proud of "my Carnival Girls". I still see them on occasions, and hopefully this year will see most of them again as they are being invited to celebrate the 30th anniversary of Newport Pagnell Carnival.

Avril Atkinson (Blackburn) 1965-179
