NEWPORT PAGNELL CARNIVAL 1991 FOREWORD

Yet another year has passed and Carnival time is upon us again. A weekend of entertainment and fun for all ages is in store. In many places Carnivals are arranged by organisations such as Round Tables, Rotary Clubs, or even Councils, here in Newport Pagnell the Carnival Committee does not belong to any such organisation. We are a collection of individuals dedicated to the Carnival Movement. Our aims are two fold, firstly to provide entertainment and secondly to raise monies for local charities and organisations. Over the last three years we have donated in excess of £11,000. I would like to thank the many individuals, organisations and businesses who have given their support, and of course to my committee who through their hard work make Carnival possible.

Peter Nicholls
Chairman
Carnival Committee

Due to circumstances beyond our control, our long established business has to go into voluntary liquidation. The main reason is the recession contentious problems with our 'Partners' in The Arcade Company, thus freezing our hard earned assets. This has tied our hands regarding an injection of Capital into our family business.

We would like to thank you for your support over the 23 years we have been trading here - life must go on, Newport Pagnell will trade out of these difficult times. It is exciting to see new developments in the town, we wish every success to all concerned, the Carnival Queen & the hard working Carnival Committee. We were very pleased to provide the Carnival Queen with her dress this year.
