NEWPORT PAGNELL CARNIVAL

Welcome...

The Carnival is now in its 47th year and is a great day out for all the family. In the past the Carnival has been held over two days but as of last year this was changed to a one day event which proved to be a great success. The Vintage and Classic Car Rally which in the past was held on the Sunday now leads the Carnival Parade.

This year the Carnival floats are joined by some very luxurious Aston Martins, together with the very distinctive sound of a group of Harley Davidsons cruising through the town.

Each year the Carnival Committee works tirelessly to bring this wonderful day out to the town. There is something about a Carnival and seeing the smiles and laughter on the faces of everyone, especially children, that gives you a great sense of satisfaction and achievement. Not only does the Carnival make people smile, but it provides the opportunity for local schools, clubs and charities to raise money for their much needed causes. Carnival time is a time for all of you as a community to come together, have a wonderful day out and give support to your town.

The Committee is always looking for new members to join, with new ideas and energy. We meet approximately once a month at the British Legion in the town. So if you have the ideas and energy to help organise this fabulous day please come along. For details of the next meeting please contact **Wendy Egan 01908 617903**.
