Word from the Chair

It's time for another brilliant weekend to hit Newport Pagnell... our Carnival! I hope you all enjoyed the 2011 Carnival as much as we did and despite the weather we had a fantastic turnout so thank you to everyone who took part and came along to join us!

This year Newport Pagnell Carnival has come into the hands of a brand new Committee so lots of changes are expected and new ideas on the table which should make for a bigger carnival than ever! Many thanks to Wendy Egan the previous Chair of Newport Pagnell Carnival whose hard work has helped get us where we are today.

A new year, a new committee means a new logo and a new website! Make sure you check them out at: www.newportpagnellcarnival.com

This year we are celebrating our 25th Annual Car Rally and we have seen some amazing vehicles over the past decades and we have been told this year will not disappoint. A big thanks here to Mike Langford who organises all aspects of our car rally! To lead our 25th Annual Car Rally the Nene Valley bikers will be showing off their Harley Davidson bikes and clearing the way for a great day!

The Newport Pagnell Carnival Parade on Saturday 7th July is an opportunity for our local groups and businesses to raise funds and promote themselves to a new audience and there is always a great reaction to all the hard work made by our parade entrants. If you are thinking about joining our parade then we recommend you go for it! Entering is completely free, great fun and a chance to meet new people. Contact us for more information.

For those watching you can expect to see an extravaganza of fabulously decorated floats, cyclists, dancers, majorettes, Carnival Queens and a whole lot more!

Make sure you follow the Parade down to Riverside Meadow where we have a full entertainment schedule including the incredible Blazing Saddles stunt show. If that wasn't enough we have over 60 stalls to browse, a funfair, licensed bar, food vendors and some little surprises to come!

This year we have been fundraising by selling tickets to enter a Balloon race and raffle which has been very successful in ensuring the longevity of the Carnival. Thank you to everyone who has taken part and best of luck! For this I would like to thank all our wonderful donors who have made it possible, please check them out on our website and in this programme.

On your Carnival Committee there are just 10 people who work tirelessly all year round to guarantee the Carnival goes ahead. Thank you to this small group who make everything happen! Also to the 40+ volunteers we rely on for the actual day for road closures, gate collectors, litter pickers and those behind the scenes! As always we struggle to get the help required to allow this event to go ahead and we do need the support of Newport Pagnell residents to ensure that we continue such a vital town tradition. Please ring us if you can help in any way!

On Sunday Morning don't forget the Soapbox Derby has been brought back to life by a brand new committee and runs down Silver Street from 10am. Not to be missed!

Thank you for your continued support and we will see you all Saturday 7th July!

Sam Miller
Newport Pagnell Carnival Chair

Newport Pagnell Carnival

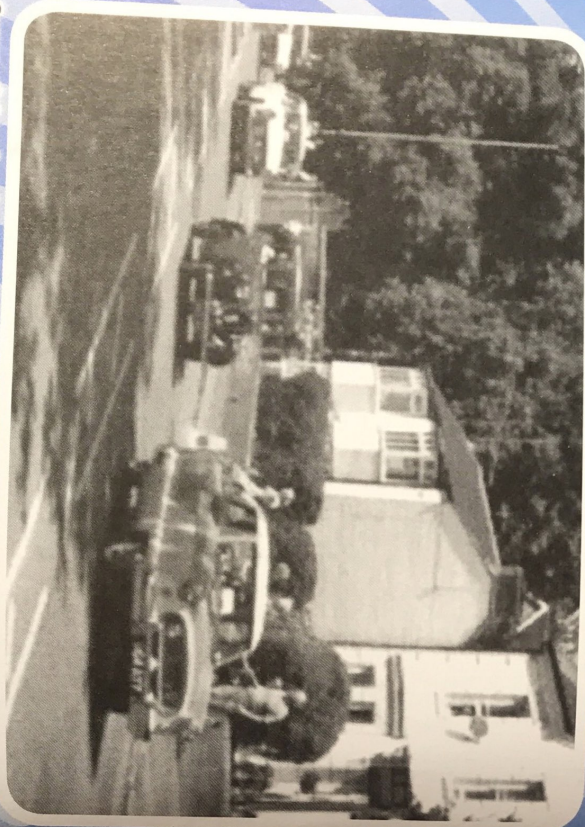

The Newport Pagnell Carnival will be led by the Nene Valley Chapter Bikers, followed by the Classic Car Rally - now in its 25th year.

Previous years have included a fantastic selection of vehicles, both pre and postwar, including a Morris Eight Series, a 1959 Austin Metropolitan and a 1961 Bentley SZ. Not forgetting the all important new and classic Aston Martins that join us for the day!

Once this spectacular fleet of cars has passed be sure to listen out for Milton Keynes Bagpipe Band which will be leading our floats in the Parade.

Then join us on Riverside Meadow for a full afternoon of fun and entertainment, including a horse show, dancers, a funfair, pony rides, stalls and our long awaited balloon release!

There will also be a wide selection of food available, as well as a licensed bar and tea tents. Plus many more attractions to make this a great day for the whole family!

Some of the classic cars in the Newport Pagnell Carnival and Classic and Vintage Parade.

Why not Volunteer?

Newport Pagnell Carnival runs on the generosity of a small committee who give up their time all year round to make this happen. It's good fun and we've all made friends through our work with carnival (plus it looks great on the CV!) We are always looking out for people that can bring us new ideas and methods to get the job done, if you have a flair for organising maybe this is for you!

On the day we can't run without our 38 road marshals, numerous gate collectors, as well as our glamorous litter pickers! It is only with the help these people give that the day can go ahead.

Can you help us organise the carnival, maybe fundraise or just give us an hour on the day? Any and all help is greatly appreciated. If you want to find out more (with no obligation) please contact us via the website.

Thank you again to those who make Carnival possible.

Make sure you check out the brand new Carnival Website with all the latest information!
